

Tri-State Cremation Society of Delaware Valley is the only complete online eArrangement cremation services provider in the region. We provide immediate cremations with limited funeral director involvement for a reasonable price. We understand today's families and their desire to research cremation & alternatives to traditional services on their own. Our commitment is to provide services and products desired and chosen by the family members for their loved one. All arrangements and payment for services can be chosen on your own, at immediate time of need or in advance, with or without the assistance of a funeral director. Area families have come to know Tri-State Cremation Society for online convenience without sacrifice in the quality service your loved one deserves. It would be our privilege to serve **you!**
